| 6.2 | #17 | p. 107 | Symbolizing and proving validity |
| 6.2 | #18-24 | p. 107 | Proving validity |

These questions will give you a good idea of what to expect on exam #1 (Jan 27)

Many of these numbered questions contain a number of sub-questions. In the interests of time, you may want to attempt only a few of each before moving on.

Solutions can be found at the website:

<http://sites.broadviewpress.com/introductiontologic>

Though an access code will be required (comes with textbook)
